SA PRAYER CIRCLES: Request to plant a cross in a park or public area to use as prayer convening points.

To whom it may concern

THE MUNICIPAL OFFICER

Dear Sir

SA Prayer Circles is a Christian prayer ministry that aims to transform the towns and cities of South Africa through prayer. The ministry is an inter-church movement that aims to unite Christians for change in South Africa.

Prayer Circles are established in **parks or public areas** because these areas serve as neutral ground: they belong to everyone and **unify people** from different churches and denominations. The crosses that we plant in each park where people gather to pray serve as 'n beacon of hope and transformation.

Our Vision

We believe that through dedicated prayer, cities can indeed transform to be places of light, safe and beautiful places where all live together in peace and harmony.

Our Mission

Our mission is to establish a Prayer Circle in every town in South Africa to ensure godly transformation in every community.

We are glad to announce that the town of has recently become a member of SA Prayer Circles and we are excited about all the positive changes that we believe are going to happen due to the prayer movement in this town.

We kindly request that you give permission to the leadership of the Prayer Circle in this town to plant a cross in the area that they plan to use for this project. We emphasize that they undertake to maintain the cross and ensure that it is not in the way of other people wanting to use the park for recreation.

You are welcome to contact me to discuss the matter.

Warm regards

With hope and anticipation of your favorable response.
